1.	<p>Dining Committee</p> <ul style="list-style-type: none">- A bittersweet final meeting was held this morning!- Lots of updates! (Sorry for the long list!)- Remember: end of the year picnic is on north campus today; on south campus 4/29!- Looking to get more reusable bags, perhaps to use in the b&g more so than the star- Plans for fall 2021:<ul style="list-style-type: none">- Goal is to return to china- Green containers will still be utilized for takeout option, however, we will likely partner with dining to come up with a plan for needing to purchase additional green containers<ul style="list-style-type: none">- Students will have to make themselves accountable for lost/tossed/or disappearing green containers- Students will be able to return to using personal mugs and water bottles in the dining halls- Paper products will go away- much more sustainable!- The hot chocolate machine was removed from the STAR due to a discontinuation of the vendor; envelopes are always available, as well as hot water and milk- Looking into exploring other tea and coffee options over the summer- Syrups previously used in Clewell had been removed due to students stealing bottles and fruit fly issues- now looking into alternative options to increase the student experience such as flavored creamers- There is a surge in using Dining Dollars at the end of the semester- this is something we are trying to avoid!<ul style="list-style-type: none">- There are options to order produce, baked goods (cakes, cookies, fruit tarts, etc), sushi platters, cases of beverages, cases of packaged goods (hostess), using GrubHub- Dining has been sending out emails to give advice on how to spend dining dollars! The emails should contain a google form that allowed students to order the items	Borgese
