

ONLINE REGISTRATION INSTRUCTIONS

Students must be cleared by the primary advisor through AMOS before their assigned online registration period.

Students can be cleared for online registration **ONLY** after they have met with their advisor(s) and the advisor(s) has approved their schedule.

If you have more than one advisor you are still required to meet with all of them but only the primary advisor can grant online registration clearance.

After you have met with your advisor(s) the following steps should be taken to register online.

Open AMOS

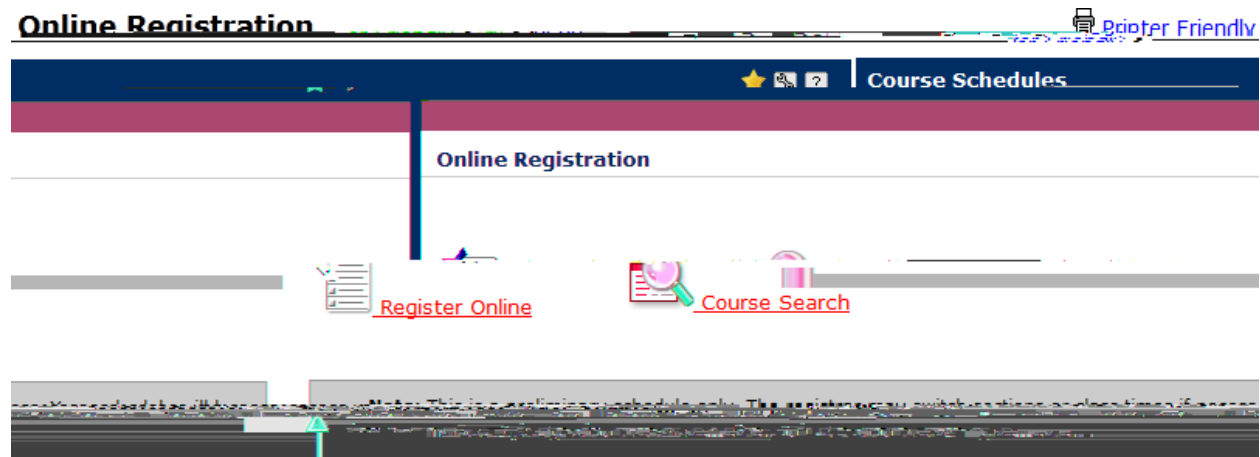

Login using your ID and password

Click on the College Students tab located at the top of the page

Click on the Online Registration tab  located on the left side of the screen

There are 2 options to Register Online.

You may fill up to 6 slots with courses, labs, or problem sessions. Click on the Add Course(s) button. If you need to fill more than 6 slots, after clicking on the Add Course(s) button the screen will refresh. You will be able to see your schedule and, if necessary, continue to select courses, labs, or problem sessions.

Add by Course Code

To add a course, start typing its course code in a box below.
If you don't know the course or section codes you
